INVITATION LETTER

Dear Hockey Friends,

We address you to present the **23rd edition of the European Schools Hockey Tournament - TEEH 2024** and invite you to participate.

Given the success of the previous editions, with teams coming from France, England, Belgium, Netherlands, and Germany, in addition to the main Catalan and Spanish teams, we are pleased to introduce this new edition of the TEEH. A tournament for players of all Sub-16 categories. The essence of our tournament is to prioritize the quality of the competition and ensure that everyone enjoys the best sports atmosphere. To achieve this, we organize a competition with final stages in each category and many hours of hockey for everyone, along with various activities for all ages.

TEEH 2024 will have a prominent international presence. Many of these teams have already contacted us to be present in this edition. We are working hard to meet your expectations.

With the experience gained from organizing previous editions, we invite you to enjoy the best atmosphere of youth hockey on **July 12, 13, and 14, 2024**, at the facilities of **CD Terrassa Hockey** (Matadepera - Barcelona).

Finally, we remind you that we are at your disposal to answer any questions about the tournament and provide additional information at teeh@cdterrassa.cat

We hope to enjoy TEEH 2024 with you, one of the most prestigious U16 tournaments in Europe!

Sincerely,

Lídia Martí
President of CD Terrassa Hockey

Xavi Rubí
Sports vice-president of CD Terrassa Hockey
